

North Valley Academy School Lunch Policy

Lunch Charge Policy

Cafeteria policy for North Valley Academy ***limits students to three (3) charged lunches.*** A phone call home will be made after the first charged lunch, or when the account balance becomes a negative. After the third charged meal a letter will go home informing the parent that no more lunches will be charged.

After three lunches are charged and their accounts still have a negative balance, the students will not receive the published lunch. On the fourth time a peanut butter sandwich and carton of milk will be given for that day, but no other lunches will be provided in the future until ***payment is received*** or ***other arrangements made***. Students with an allergy to peanuts will receive a cheese sandwich.

Our school lunch program does not operate on a credit basis. All lunches must be paid for in advance. Parents, please be aware that even if your child/children qualify for reduced lunch you may **not** have a negative balance. Your child's lunch account must be kept current.

The following are the rates of school lunches for the 2018-19 school year.
